Trip Details: This is a drive up trip. We will work with people who are going on the trip to coordinate those who are driving and those who need a ride. We hope that drivers will take 3 passengers. Drivers will receive a transportation fee from the Club based upon the number of passengers. We are staying in the Plaza Condos, 2 bedroom-2 bath. There are kitchens in the condos so you can plan on meals in the condo. Close to the slopes. We are near the bus route to go into town.

Parking is included, but may be limited—so let's have fun with car pooling.

We will have 2 social gatherings at the condos.

People are responsible for buying their own lift tickets. The Club is NOT buying tickets
